Introduction

Alliaance Biotech, a WHO GMP, GLP and ISO 9001:2015 certified company, is equipped for manufacturing Tablets, Capsules, Liquid Orals, Small Volume Parenterals (Dry and Liquid Injectables) and Hormonal Preparations (Tablets and Injectables). Our state of the art, ultra modern facility is set up in the Northern Indian state of Himachal Pradesh. This is a hub of leading pharmaceutical companies of India, as it provides a cost competitive edge over manufacturing units operating in other parts of India. The company boasts of an impressive product list inclusive of Niche DCGI approved formulations to meet all customer needs. It is presently a co-producer to leading pharmaceutical companies of India.

Alliaance's Motto is 'Making Quality Affordable'. It is committed to provide quality branded medicines & generics at affordable prices to patients worldwide aiming to reduce healthcare costs.

The company has dedicated and segregated blocks for General (Tablets, Capsules, Liquid Orals, Dry Injectables and Liquid Injectables), Hormonal Tablets and covering all major therapeutic segments. To carry out proper testings viz. Assay, Real Time and Accelerated Stability Studies as per ICH guidelines, the company maintains critical instrumentation segments for stability chambers and HPLC. For strict compliance of Good Laboratories Practices (GLPs), the company has latest sophisticated instruments in its in-house, chemical, instrumental & microbiological laboratories. Alliaance aims at carving a place for itself in the Indian as well as International Market with specialization in new and niche molecules thereby adding value for their clients as well as customers.

Certifications

- WHO
- GMP
- ISO 9001:2015
- GLP
- NEUTRAL CODE (For Exports)
- IEC CODE
- Dietary Supplement License (FSSAI)
- Non-Conviction Certificate

Global Presence

Our Mission in Global pharmaceutical's Markets: We have a challenging and inspiring mission to improve the quality of human life by enabling people to do more, feel better and live longer.

Dual Strategic Priorities: Since 2006, we have focused our business around the delivery of dual strategic priorities, which aim to increase growth, reduce risk and improve our long term financial performance: Grow a diversified global business: We expect to generate future sales growth by strengthening our core pharmaceuticals business and supplementing it with increased presence in growth areas in African and CIS markets.

Deliver More Products of Value: We expect to increase our presence in different therapeutic segments delivering more products of value for the healthcare of ailing humanity in the global pharmaceuticals market.

Our Plan: Drive Growth in the pharmaceutical business in Emerging Markets. Fulfill the potential of the Emerging Markets. Expand our business in African, Latin American and CIS Countries..

Member Ship Associations

- Pharmexcil
- Indian Drug Manufacturers Association
- HDMA

Key Points

- WHO, GMP, GLP and ISO 9001:2015 Certified company
- Leading Manufacturing Company in the country
- State of the art Infrastructure
- Dedicated and fabricated Blocks for General, Hormonal
- Separate Block for Hormonal preparations (Tablets and Injectables)
- Automated Machines and High Speed Packing Lines
- Dedicated Modular Labs complying GLP Norms
- Exporting to African & CIS Countries
Nigeria, Ghana, Philippines, Spain, Iran & Afghanistan
- Our Manufacturing Facility is already in process of NAFDAC-GMP & PHILIPPINES-GMP APPROVALS

About Us

Alliaance Biotech founded by **Mr. Shiv Kumar Gupta** located in Baddi, village Katha, Tehsil Nalagarh, District Solan, Himachal Pradesh towards Sai Road Baddi. Alliaance Biotech is leading the way to a healthier future with products that touch the lives and improve the well being of people and communities around. We develop breakthrough medicines that tackle unmet medical needs, we adopt positions and advocate for changes that will improve access to these products, and we find new ways to do the right thing for our constituents. This is particularly important today, because we live in a resource - scarce environment. Every Rupee, every dosage and every drop of water count.

We shall always aim to develop and facilitate procedures and policies that shall help us grow and help our partners in healthcare. We believe in the policy of transparency and work relationship-based on trust and mutual benefit.

In addition to making substantial progress in meeting our business objectives, we launched several significant initiatives in 2006, as well as a new corporate responsibility framework as part of our commitment to ensure access to healthcare worldwide.

Our current corporate responsibility progress constitutes steps along a journey, accelerated by our unwavering commitment to expand access to health care, work toward true environment sustainability, employ a diverse workforce that values collaboration and operate with the highest standards of integrity. We have an exciting pipeline of new medicines and a growing presence in emerging markets.

Over the past couple of years, our focus has been on health & safety, on our own environmental impact and our people, all of which are of material importance to Alliaance, we have made progress but we understand we have much further to go.

Alliaance Biotech was established in the year 2006 and since then we have emerged to become a strong organization that our customers can entrust.

Managing Partner

Mr. Shishir Gupta, an MSc. (International Business Management) and has approximately 12 years of experience in the field of sales and marketing of Pharmaceuticals. Under his dynamic leadership and professional approach, the company made several national and foreign collaborations and reached new heights of growth.

Vision

"Our Vision is to become an unsurpassed pharmaceutical manufacturing company, leading the way to a healthier world. Our Vision is reflected in every department of our organization as we desire to conquer the pharmaceutical domain globally."

Mission

"To revolutionize the Global Health Care System by providing superior quality products on compliance with WHO-GMP, USFDA, TGA, EU-GMP standards for ultimate customer satisfaction". Alliaance believes that complete customer satisfaction is the key to increase clientele and expand business.

Our Commitments

To Business Partners

Based on delivering value to its stakeholders ALLIAANCE constantly inspires its people to innovate, achieve excellence and set new global benchmarks. Driven by

Quality Policy

We take considerable pride in developing sustaining, unsurpassed levels of quality in manufacturing of drug formulations in order to meet customer satisfaction. Our quality policy comprises of:

- Manufacturing & supplying excellent quality drugs to consistently meet the needs of esteemed clients and the mankind in general.
- Ensuring strict compliance with camps guidelines, prevailing national and international standards in accordance with the pharmaceutical industry.
- Treating health, safety and environmental protection as integral part of the quality strategy.
- Enhancing customer satisfaction through continuous improvement in Quality management System in conformity with ISO 9001:2008.

the passion of its more than 400 strong multicultural workforce ALLIAANCE continues to aggressively pursue its mission of "Enriching lives globally, with quality and affordable pharmaceuticals."

To Consumer

ALLIAANCE Pharmaceuticals is the Centre of excellence for production quality packaging and distribution of pharmaceutical products. We are dedicated to offering safe and quality medicines to the consumer to help them live healthier lives. As a partner of healthcare companies, we want to make a real contribution to the absolute right to a health life for all.

To Healthcare Professionals

We are driven by constant goal to discover new medicines, new technologies and new ways to manage health to help people to live healthier lives. Our comprehensive line of products encircles life and address important health needs from infancy to golden years.

To Community

Corporate Social Commitment and Public Service is deeply Service is deeply embedded in cultural fabric of ALLIAANCE. Over years serious efforts have been directed towards making meaningful contribution in uplifting and transforming the lives of underprivileged

and the environment. We continue to make serious efforts to promote good health, social development and better environment, through various company programs that contributes all round growth.

Salient Features

- Experience in the manufacturing and supply of pharmaceuticals.
- Highly integrated portfolio of products for the pharmaceuticals and healthcare sectors.
- Customer base across the globe
- One of the largest manufacturer/exporter of highest caliber of professionals in scientists, engineers, lab technicians, production heads and functional managers.
- Multicultural and multidiscipline workforce that is motivated towards the highest standards of customer satisfaction
- Strict adherence to Current Good Manufacturing Practices (c-GMP)
- Driven by quality, integrity and core values

Manufacturing Facilities

Production Block A- General Oral Solid Dosage Forms – Tablets and Capsules

General Oral Solid Dosage Forms – Tablets, Capsules.

The newly commissioned plot is outfitted with state-of-the-art production technologies, testing equipment, instrumentation and all other requisite technologies such as Online Product Monitoring Systems, Product & Process Optimization, Data logging, and WIP etc. to produce the world's best range of products for our valued clients.

For tables manufacturing, we have two granulation sections of 120 kg & 240 kg equipped with reliable, fast & latest qualified systems from renowned manufacturer Global such as RMGs, Fluid bed Dryer, Octagonal, Multi Mills and Vibro Sifters etc. For tablet coating, conventional facilities with pan size of 48" & 36" are installed.

To consider production requirements of our clients carefully, we are comprised with ultra-modern tablet presses from reliable manufactures such as 'Saimach Engineering' which are lined up with latest metal detection technology & dust collectors. Through 5 dedicated packaging lines for tablets capsules, we provide extensive & high quality blister strip packaging & Alu-Alu solutions to adapt to the changing domestic & international market needs such as 21 CFR Part 11 compliance, track & trace etc.

For capsules production, a fully automatic high speed capsule

filling machine from Pam Pharmaceutical & Allied Machineries Co. Pvt. Ltd. is installed with a capacity of producing around 40,000 units per hour.

The facility has sophisticated modular partitioned sections to provide excellent cleanroom standards with separate men & material flows. The multi-story building has dedicated walk able service areas for each level with world class support utilities such as dedicated AHUs, water Generations systems, Chillers, Cooling towers, Air compressions etc.

A separate dedicated facility is specially designed for products with critical temperature, humidity requirements for their storing, dispensing & manufacturing.

Manufacturing activities such as compaction & powder blending are carried out in controlled environments with dedicated AHUs connected to terminal HEPA to maintain clean room standards

All core manufacturing & core areas are maintained at negative pressure to restrict environmental contamination.

Two high speed tablet compressions machines from 'Saimach Engineering' are installed to cater the client's production requirement.

Capsule filling section is configured with equipment's like high capacity compacts, double cone & octagonal blenders & fully automatic AF-40T capsule filling machines.

Products Manufacturing in General Block "A"

Tablets

- Azithromycin 250/500mg
- Levofloxacin 250/500 mg
- Fluconazole Tablet 150 mg, Azithromycin Tablets 1 gm, Secnidazole Tablet 1 gm
- Deflazacort 6 mg
- Diacerin 50 mg, Methyl Sulfonyl Methane (MSM) 250 mg, Glucosamine Sulphate 750 mg
- Aceclofenac 100 mg, Thiocolchicoside 8 mg
- Paracetamol 325 mg, Phenylephrine Hydrochloride 5 mg, Caffeine 30 mg, Diphenhydramine Hydrochloride 25 mg

Capsules

- Omeprazole 20 + Domperidone 10 mg
- Pantoprazole 40 + Domperidone 30 mg
- Rabeprazole + Itopride (SR) 20mg + 150mg
- Pantoprazole + Itopride (SR) 40mg + 150mg
- Pregabalin 75 mg, Methylcobalamin 750 mcg

Note: Also Manufacturing all the Veterinary Tablets/Bolus

Production Block B- Liquid Orals

For Liquid manufacturing we have Liquid Manufacturing Plant (Sugar Melting Vessels) and Manufacturing Vessels of Huge Capacity, Storage Vessel, Bottle Washing Machine, Liquid Filling and Sealing Machine from Manufacturer such as GMP India Pharma Equipments, Visual Inspection Belt and Bottle Labeling machine from reliable manufacturer such as Kold Pack India Equipments are installed. Separate dedicated Packing Line for Liquid Orals.

Products Manufacturing in General Block "B"

- Lactulose 10 gm / 15 ml
- Deflazacort 6 mg / 5 ml
- Azithromycin 100/200 mg / 5 ml
- Terbutaline Sulphate 2.5 mg, Guaiphenesin 100 mg, Ambroxol Hydrochloride 30 mg, Menthol 2.5 mg / 5 ml
- Cyproheptadine HCl 2 mg, Tricholine Citrate 275 mg / 5 ml

Production Block C- Hormonal Tablets

For tables manufacturing, we have a granulation sections of 120 kg equipped with reliable, fast & latest qualified systems from renowned manufacturer Global Pharma Equipments such as RMGs, Fluid bed Dryer, Cone Blender, Multi Mills and Sifters etc. For tablet coating, fully automated facilities with pan size of 48" are installed.

To consider production requirements of our clients carefully, we are comprised with ultra-modern tablet presses from reliable manufactures such as 'Saimach Engineering' which are lined up with latest metal detection technology & dust collectors. Through dedicated packaging lines for tablets, we provide extensive & high quality blister & strip packaging solutions to adapt to the changing domestic & international market needs such as 21 CFR Part 11 compliance, track & trace etc.

Products Manufacturing in Hormonal Block "C"

- Mifepristone, Misoprostol (Combi Kit) 200mg (1 Tab.) + 200mcg (4 Tab.)
- Levonorgestrel 1.5mg/0.75mg
- Norethisterone 5mg
- Natural Micronized Progesterone 100/200/300/400/200,300,400(SR) mg
- Medroxyprogesterone Acetate 10 mg
- Cyproterone Acetate 2mg + Ethinylestradiol 0.35mg
- Levonorgestrel 250mcg + Ethinylestradiol 50mcg
- Desogestrel 0.15mg + Ethinylestradiol 0.03mg

Production Block D- Dry Powder Injectable

Dry Powder Injectable Block is designed as per the International Standards covering entire range of General product along with automatic vial washing, sterilizing & dehydrogenating systems from reliable Manufactures such as 'Vikram Engerning' filling, stoppering, sealing, sticker labeling with auto cartoner. All the machines are maintained under Grade A/Class 100 Area, supported by Restricted Access Barrier System (RABS). All critical operations are monitored through online CCTV & touch free equipment's Facility is equipped with EU-14 Grade HEPA Filters with 99.999% efficiency and WFI with latest technologies & controls to meet USP/IP/BP/EP/JP Grade of PW/WFI.

Production Block E- Liquid Injectables

Liquid Injectable Block is designed as per the International Standards covering entire range of General Category along with automatic vial washing, sterilizing & dehydrogenating systems from reliable manufactures such as 'Reddy Project' (Tunnel Systems), Manufacturing Tank for Batch preparation, filling, stoppering, sealing, sticker labeling with auto cartoner. All the machines are maintained under Grade A/Class 100 Area, supported by Restricted Access Barrier System (RABS). All critical operations are monitored through online CCTV & touch free equipment's Facility is equipped with EU-14 Grade HEPA Filters with 99.999% efficiency and WFI with latest technologies & controls to meet USP/IP/BP/EP/JP Grade of PW/WFI.

Products Manufacturing in SVP Block "E"

Human Preparations

- Terlipressin 100 mcg / ml
- Noradrenaline 1 mg / ml
- Mecobalamin 1500/2500 mcg / 2 ml
- Carboprost 125/250mcg/ml
- Netilmicin 25mg/ml
- Methylprednisolone Acetate 40mg/ml
- Gentamicin 40 mg / ml
- Amikacin 250 mg, Sodium Citrate 0.5% w/v / ml
- Natural Micronized Progesterone 100mg/200mg/ ml

Veterinary Preparations

- Chlorpheniramine Maleate 10 mg
- Levofloxacin 10% w/v / ml
- Diminazene Aceturate 70 mg, Phenozone 375 mg / ml
- Nimesulide 100 mg, Paracetamol 150 mg / ml
- Meloxicam 5 mg, Paracetamol 150 mg / ml
- Vitamin A 250000 IU, Vitamin D3 25000 IU, Vitamin E Acetate 100 IU, Biotin 12.5 mcg / ml
- Thiamine Hydrochloride 10 mg, Riboflavin 3 mg, Niacinamide 100 mg, Vitamin B12 10 mcg, Liver Injection Crude 0.66 ml / ml
- Enrofloxacin 100 mg / ml
- Tylosin 200 mg / ml
- Ivermectin 10 mg / ml
- Meloxicam 5 mg / ml
- Nimesulide 100 mg, Paracetamol 150 mg / ml

Therapeutic Segments

- Hormones
- Anti- Asthmatic
- Anti- Allergic
- Anti- Biotic
- Anti- Malarial
- Anti- Pyretic
- Critical Care
- Anti- Inflammatory
- Anti- Diabetic
- Anti- Psychotic
- Anti- Obesity
- Anti- Hypertensive
- Gastrointestinal
- Osteoarthritis
- Neuropathy
- Analgesics
- Corticosteroids
- Multi- Vitamins
- Cough & Cold Preparations
- Veterinary

Capacities

- Tablets - 1200 Million/Annum
- Capsules - 1200 Million / Annum
- Injections - 42 Million/ Annum
- Liquid - 120 Million/Annum

General Block

- Pantoprazole 40mg
- Rabeprazole 20mg
- Esomeprazole 40mg
- Omeprazole 40mg
- Artesunate 60mg
- Vancomycin 500/1000mg
- Azithromycin 500mg

Liquid Ampoule Injectables

- Ferric Hydroxide Complex with Sucrose eq. to iron 20/100mg/ml/5ml
- Nandrolone decanoate 25/50mg
- Diclofenac Sodium Aqua Base 25mg/ml
- α - β Arteether 75 /150/150mg/ml, 2ml, 3ml
- Ketorolac Tromethamine 30mg/ml
- Carboprost 125/250mcg/ml
- Methylcobalamin 2500/1500mcg/2ml
- Methylcobalamin 1000mcg, Pyridoxine Hydrochloride 100mg, Nicotinamide 100mg, D-Panthenol 50mg/2ml
- Netilmicin 25mg/ml

Liquid Vials Human

- Vitamin A 250000 IU, Vitamin D3 25000 IU, Vitamin E Acetate 100 IU, Biotin 12.5 mcg / ml
- Gentamicin 40 mg / ml
- Amikacin 250 mg, Sodium Citrate 0.5% w/v / ml
- Pheniramine Maleate 22.75 mg / ml

Liquid/ Dry Veterinary Injections

- Chlorpheniramine Maleate 10 mg/ml
- Ivermectin 10 mg / ml
- Enrofloxacin 100 mg / ml
- Tylosin 200 mg / ml
- Meloxicam 5 mg / ml
- Thiamine Hydrochloride 10 mg, Riboflavin 3 mg, Niacinamide 100 mg, Vitamin B12 10 mcg, Liver Injection Crude 0.66 ml / ml
- Nimesulide 100 mg, Paracetamol 150 mg / ml
- Meloxicam 5 mg, Paracetamol 150 mg / ml
- Diminazene Aceturate 70 mg, Phenozone 375 mg / ml
- Levofloxacin 10% w/v

Capsules

- Rabeprazole + Itopride (SR) 20mg + 150mg
- Pantoprazole + Itopride (SR) 40mg + 150mg
- Mecobalamin 1500mcg + Vitamin B6 + ALA 100mg + Folic Acid 1.5mg
- Pregabalin 75mg + Methylcobalamin 750mcg
- Omeprazole 20mg + Domperidone 10mg
- Rabeprazole 20mg + Domperidone 30mg
- Pantoprazole 40mg + Domperidone 30mg
- Lactic Acid Bacillus With B-complex
- Lyco 5000mcg + Multivitamins + Antioxidant
- Prebiotic + Probiotic

Tablet General

- Azithromycin 250/500mg
- Aceclofenac 100 mg, Paracetamol 325 mg, Serratiopeptidase 10 / 15 mg
- Aceclofenac 100 mg, Thiocolchicoside 8 mg
- Calciferol 60000 IU
- PCM 325 + Phenylephrine 5mg + Caffeine 30mg + Diphenhydramine Hydrochloride 25mg
- Levocetirizine HCl 5 mg, Ambroxol HCl 60 mg
- Sildenafil Citrate 50/100 mg
- Etoricoxib 90/120mg
- Etoricoxib 60mg + Paracetamol 325mg
- Deflazacort 6mg
- Aceclofenac 100 mg, Thiocolchicoside 8 mg
- Montelukast 5/10 mg, Levocetirizine Hydrochloride 2.5 / 5 mg
- Methylprednisolone 4 /16mg
- Ferrous Ascorbate eq. to iron 100 mg, Folic Acid 1.5 mg, Zinc 22.5 mg

Tablet Hormones

- Mifepristone, Misoprostol (Combi Kit) 200mg (1 Tab.) + 200mcg (4 Tab.)
- Levonorgestrel 1.5mg/0.75mg
- Norethisterone 5mg
- Allylestrenol 5mg
- Natural Micronized Progesterone 100/200/300/400/200,300,400(SR)
- Medroxyprogesterone Acetate 10 mg

Tablet Veterinary

- Fenbendazole 3 gm
- Clomifene Citrate 300 mg
- 1 Tablet Clomifene Citrate 300 mg, Two Tablets Copper Sulphate 750 mg
- Enrofloxacin 50 mg
- Albendazole 3000 mg
- Clomifene Citrate 300 mg
- Nimesulide 400 mg, Paracetamol 1500 mg

Liquid Orals

- Ferrous Ascorbate eq. to iron 30mg, Folic Acid 550mcg / 5 ml
- Ferric Ammonium Citrate 160 mg eq. to iron 32.8 mg, Cyanocobalamin 7.5 mcg, Folic Acid 0.5 mg, Cupric Sulphate 30 mcg, Magnese Sulphate 30 mcg / 15 ml
- Lactulose 10 gm / 15 ml
- Fungal Diastase (1:1200) 50 mg, Pepsin (1:3000) 10 mg / 15 ml
- Potassium Citrate 1100 mg, Magnesium Citrate 375 mg / 5 ml
- Ofloxacin 50 mg, Ornidazole 125 mg / 5 ml
- Azithromycin 100/ 200 mg / 5 ml
- Cyproheptadine HCl 2 mg, Tricholine Citrate 275 mg / 5 ml
- Cetirizine Hydrochloride 2.5 mg, Phenylephrine HCl 2.5 mg, Paracetamol 125 mg / 5 ml
- Paracetamol 125 mg, Phenylephrine HCl 2.5 mg, Chlorpheniramine Maleate 1 mg / 5 ml
- Terbutaline Sulphate 1.5 mg, Guaiphenesin 50 mg, Ambroxol Hydrochloride 15 mg, Menthol 1 mg / 5 ml
- Terbutaline Sulphate 2.5 mg, Guaiphenesin 100 mg, Ambroxol Hydrochloride 30 mg, Menthol 2.5 mg / 5 ml
- Terbutaline Sulphate 1.25 mg, Guaiphenesin 50 mg, Ambroxol Hydrochloride 15 mg, Menthol 2.5 mg / 5 ml
- Cyproheptadine HCl 2 mg, Tricholine Citrate 275 mg / 5 ml
- Dextromethorphan Hydro bromide 10 mg, Phenylephrine Hydrochloride 5 mg, Chlorpheniramine Maleate 2 mg / 5 ml
- Deflazacort 6 mg / 5 ml
- Levocetirizine Hydrochloride 2.5 mg, Montelukast 4 mg / 5 ml
- Mecobalamin 500 mcg, Gabapentin 300 mg
- Diacerein 50 mg, Methyl Sulfonyl Methane 250 mg, Glucosamine Sulphate 750 mg
